Subject: Federal Register notice for methanol (noncancer) release for public comment
Attachments: Methanol FR notice 03-22-11.doc

Hi Cheryl:

This is the methanol FRN that I told you about last week. It needs to go to OGC for review and through NCEA clearance. We would like to publish this on March 31, so it needs to go to the Federal Register Office either on March 25 after 10 am or on March 28 before 10 am.

Please let me know if there is anything I can do to help expedite this. John Vandenberg has reviewed it, and it is ready to go.

Karen
